About BFCN

The Black Foundation of Community Networks (BFCN) is a non-profit organization founded in 2011 to network community resources and groups, to strengthen the Black family unit and to improve student achievement. BFCN is based out of Woodbridge, Ontario and serves the Black community in the Greater Toronto Area. BFCN's initiatives include a weekly community program called Friday Focus, annual scholarships and bursaries, an annual Scholarship Directory, an ongoing Community Calendar and access to diverse resources, services and opportunities for youth, adults and families.

Friday Focus is a weekly program created to engage Black youth and parents. The youth work with teachers, volunteers and peers to improve math literacy, learn Black history and enjoy recreational activities while developing social and life skills. The parents engage in a Parent Forum where weekly discussions, workshops and resource-sharing takes place. All adults are welcome in the Parent Forum; most are parents but you do not need to be one to join!

Each year BFCN awards three annual scholarships to Black youth pursuing post-secondary undergraduate education in Canada; one for a graduating high school or CÉGEP student; one for a student already working towards their degree or diploma and one for a student who has overcome adversity. These \$1,000 awards are granted to successful students who have also demonstrated community involvement, leadership qualities and financial need. The 6th Annual BFCN Scholarships are due on July 31, 2017.

The BFCN Scholarship Directory is one of our most important initiatives. We believe that every student should have access to an accurate and informative resource of diverse scholarships, bursaries and awards to help pay for post-secondary education. Each year, thousands of dollars go unclaimed because students are unaware of what is available and information is often outdated or inaccessible. Our hope is that this directory will continue to guide students and their parents and educators towards securing financial support. We also believe that access to education of all forms is important for the continued success and advancement of our brilliant Black youth. Student achievement is one of our main goals and scholarships and resources such as these can help our youth achieve their goals both in and out of school.

Together we can strengthen the Black family unit and improve student achievement, one student, one adult, one family at a time.

President's Message

Dear Students, Parents, Caregivers, and Educators,

On behalf of the BFCN Family, I would like to introduce you to the 5th Annual BFCN Scholarship Directory. We hope that you will find this resource informative, useful and beneficial whether you are a student, parent or educator. We believe that education is one of the keys to success and that all youth should have the opportunity to attain further education in their academic careers. Scholarships, bursaries and awards help make these goals more achievable by financially assisting students with the often inaccessible and high costs of post-secondary education.

We created this directory to highlight existing scholarships, bursaries and awards that are available for students pursuing post-secondary undergraduate education in Canada. We have included more than 45 scholarships in this directory and we hope that each one is awarded to a youth in our community. Each page represents a different entry and includes a summary of the criteria as well as important information you need to apply. We have also included a personalized checklist at the bottom of each page. However, it is very important to also carefully read the criteria and instructions on each organization's website or application. BFCN is not liable for any inaccuracies which may appear in this document. Any due date with an asterisk (*) means that the exact date in the month was not confirmed at the time of publication. The final page includes a list of scholarships, bursaries and awards whose information was not confirmed at the time of publication but are still available. We encourage you to do further research!

This project is a work in progress and will be updated each year. If you are an organization or an individual who knows of any other scholarships which were not included in this directory, please forward the information to us at info@bfcn.ca. We would love to include them! Please share this resource widely to increase overall access. For more information regarding this Scholarship Directory or BFCN, please contact us at info@bfcn.ca or at 416-566-2731. If you use social media, stay up-to-date and like our page on [Facebook](#) and follow us on [Twitter](#)!

Thank you for your continued support.

Scholarship Application Tips & Tricks

- ✓ Confirm that you are **eligible** for the award and meet all criteria.
- ✓ Contact the organization to make sure all the information is accurate.
- ✓ **Prepare in advance** and give yourself enough time to complete the application.
- ✓ **Read the instructions** very carefully. One small error can eliminate your application!
- ✓ Take note of the **due date**. Does the application need to be received by the date or only post-marked (in the post office by the date)?
- ✓ **Use a black pen**, unless otherwise specified.
- ✓ Do a **practice/rough copy** before completing the real application.
- ✓ **Write a generic 500 word letter of intent** outlining your goals, achievements, academic and career plans. Most scholarships require a letter or essay of some form. If you have a generic one completed, all you have to do is modify it to satisfy the criteria of the scholarship you are applying for!
- ✓ The tip above ^ also applies for **Cover Letters and Resumes!**
- ✓ **Update your letter of intent, cover letter and resume** as you gain new experiences so it's always ready to go.
- ✓ When writing, **be yourself and be honest!** Try to set yourself apart from others! **Don't just list** your accomplishments or activities. Explain them and demonstrate why they should make you more qualified and deserving. You got this!
- ✓ **Proofread** 3 times and then send it to a friend to proofread again!
- ✓ Ask a professional (e.g. teacher, coach, or employer) to provide a **good reference**.
- ✓ **Give your references enough time** to prepare the reference letters. If possible, ask for the letters to be printed on letterhead.
- ✓ Order a sufficient amount of **transcripts**, especially before the school year ends.
- ✓ **Triple-check your application package** to ensure all documents are included and in the right order.
- ✓ Always have enough **stamps and envelopes** ready to go. Check at the post office. You can also find out if you're able to submit your application **online** so you can save money and trees!
- ✓ Contact the organization a week after mailing to **ensure receipt** of your application. If sent online, check in after a couple of days if you don't receive a confirmation of receipt.
- ✓ **Write a thank you letter or email**, even if you are not awarded the scholarship.
- ✓ **Have a question?** Call BFCN at 416-566-2731 or contact us via email at info@bfcn.ca or our social media!
- ✓ **Know that you are important and worthy** regardless of the outcome of your scholarship application or your grades!
